I understand that when my child is released to go to a skills class that he/she is checked out of the childcare program and into the care of the skills class instructor, who is not an AcroKids teacher (and is not a licensed childcare employee). Upon finishing the skills class, children are checked back into AcroKids Academy and into the care of an AK teacher. Drops for skills classes must be submitted in writing by the 15th of the month to avoid future billing. Partial months are not pro-rated for individual weeks, and are not refunded if a child withdraws from the childcare program before their classes end.

I authorize AcroKids Academy to enroll my child in the above skills class(es), and I understand that I will be obligated to pay for these services once enrolled.
